IIT Gandhinagar
Indian Institute of Technology Gandhinagar

FRONTIER PROBLEMS IN PHYSICS

A two-day symposium @ IIT Gandhinagar

Dates: November 20th and 21st 2018

The symposium aims to promote and foster the research atmosphere @IITGN by inviting scientists to deliver lectures on cutting-edge research topics and discuss open problems in physics with students and young researchers.

Speakers:

Rajesh Gopakumar, ICTS, Bangalore
(String Theory, Quantum Gravity)

Biswarup Mukhopadhyay, HRI, Allahabad
(High Energy Particle Physics)

Amlan J Pal, IACS, Kolkata
(Nanoscience, Organic Electronics, Spintronics)

Tarun Souradeep, IUCAA, Pune
(Cosmology, Gravitational Waves)

Physics Symposium: Frontier problems in Physics" on November 20-21, 2018

Program Schedule:

Tuesday, November 20th, 2018:

Time	Program
09:30 - 10:00	Inauguration
10:00 - 10:30	Tea Break
10:30 - 12:00	Seminar by Prof. Rajesh Gopakumar
12:00 - 14:00	Break
14:00- 15:30	Seminar by Prof. Tarun Souradeep
15:30 - 16:00	Tea Break
16:00 - 17:30	Seminar By Prof. Biswarup Mukhopadhyaya

Wednesday, November 21st, 2018:

Time	Program
10:00-11:30	Seminar by Prof. Amlan Pal

Venue:
Academic Block1/103 Auditorium.
IIT Gandhinagar Campus, Palaj, Gandhinagar 382355.
