About ASME Digital Collection

The *ASME Digital Collection* is the authoritative, subscription-based online reference resource spanning the entire knowledge spectrum of interest to the **mechanical engineering** and related technical research communities.

ASME Digital Collection delivers richer, more relevant and more intuitive search capabilities, and enables a wide range of enhancements, from a cleaner design and improved search features.

The *ASME Digital Collection's* unparalleled depth, breadth and quality of **mechanical engineering** technical content is easier and faster to access than ever.

The ASME Digital Collection, previously known as The ASME Digital Library, is ASME's repository of current and archival literature featuring Transaction Journals, Conference Proceedings & Ebooks.

Library provides an online access to over 26 ASME transaction journals against its subscription. Titles are easily accessible through the ASME Digital Collection

- Applied Mechanics Reviews Online
- ASME Member-Only Article Pack Online
- Journal of Applied Mechanics Online
- Journal of Biomechanical Engineering Online
- Journal of Computational and Nonlinear Dynamics Online
- Journal of Computing and Information Science in Engineering Online
- Journal of Dynamic Systems, Measurement, and Control Online
- Journal of Electrochemical Energy Conversion & Storage Online
- Journal of Electronic Packaging Online
- Journal of Energy Resources Technology Online
- Journal of Engineering for Gas Turbines and Power Online
- Journal of Engineering Materials & Technology Online
- Journal of Fluids Engineering Online
- Journal of Heat Transfer Online
- Journal of Manufacturing Science and Engineering Online
- Journal of Medical Devices Online
- Journal of Micro and Nano Manufacturing Online
- Journal of Nuclear Engineering and Radiation Science
- Journal of Offshore Mechanics and Arctic Engineering Online
- Journal of Pressure Vessel Technology Online
- Journal of Risk and Uncertainty in Engineering Systems, Part B: Mechanical Engineering
- Journal of Solar Energy Engineering Online
- Journal of Thermal Science and Engineering Applications Online
- Journal of Tribology Online
- Journal of Turbomachinery Online
- Journal of Verification, Validation, and Uncertainty Quantification Online
- Journal of Vibration and Acoustics Online
