

## IIT-Gn invites US graduates

**Ahmedabad:** The Indian Institute of Technology Gandhinagar (IIT-Gn) has invited three engineering graduates of Olin College of engineering in US to stay and work together for a year.

"Olin College is a very prestigious institute and as we wanted to learn from their ways of education, we selected three of their students to join us here," said director of IIT-Gn Sudhir Jain. If the plan proves successful, IIT-Gn is looking to invite other
