

Industry open house at IIT-Gn: Leading industries from across the country will participate in an “Industry Open House” at Indian Institute of Technology, Gandhinagar (IIT-Gn) on August 23. The event is a part of IIT-Gn’s plan to expand and scale-up its engagement and communication with industry. Apart from interacting with the Institute’s faculty, staff and students, visitors will have an opportunity to interact with the conveners of the Institute’s Career Development Services and Continuing Education Programme.
