

IIT-GN PROMOTES MATHS, SCIENCE

In a bid to strengthen the knowledge and exposure of school children in subjects such as science and mathematics, Indian Institute of Technology, Gandhinagar (IIT-Gn) has begun a series of workshops. The first workshop of the series was organized at IIT-Gn's new campus on Monday. Around 200 students from classes 11 and 12 of Kendriya Vidyalaya No 3 and Kendriya Vidyalaya, CRPF, Gandhinagar, participated in the workshop, wherein they made flutes out of straws and a traditional charkha that spins electric energy.
