The Indian Institute of Technology Gandhinagar (IIT-Gn), along with Vishwakarma Government Engineering College (VGEC) and Commissionerate of Technical Education (CTE) will organise a workshop on “Academic Leadership & Best Practices” for Principals and Heads of the Departments of engineering colleges of Gujarat on Saturday. The workshop aims to enhance leadership skills among heads of engineering colleges and acquaint them with some of the best practices.

The workshop will be attended by 50 principals and HODs. Dean of Academics, IITGn, Professor Amit Prashant said, “We have learnt a lot through our interactions with local engineering colleges of Gujarat

WORKSHOP AIMS AT

- **How to** bring information about systems involved in Institute governance
- **How to** build confidence of administrators
- **How to** have cultural evolution of institutional systems
- **Multitasking** staff
- **Role of** students
- **Effective** leadership

in the past. Taking this forward we will organise a one-day workshop aimed at effective governance and continued growth. A strong leadership and best practices can have a huge impact on the growth of an institute.”

Technical Education Quality Improvement Programme (TEQIP) is a long term project of the Ministry of Human Resource Development (MHRD) to support excellence in Technical Education in the country. This workshop is being held in support of TEQIP.
