

IITGn to host JEE counselling on June 5, 18

In a bid to extend help to aspiring engineers, the Indian Institute of Technology Gandhinagar (IITGN) has decided to offer counselling sessions to students who appeared for Joint Entrance Examination (JEE) Advanced 2016. The free counselling sessions will help students choose engineering branches in IITs.

An official communication from the institute stated that counselling session through JEE Open House will be held on June 5 and June 18. Student coordinator for JEE Open House at IITGN, Rushil Vispute said, "It is common for students to be confused when choosing between a branch and institute. Interactions with IIT faculty members and students who are already in IIT will help clear these confusions and make a better choice. This is what JEE Open House will be about."

IITGN has been organising JEE Open House after JEE Advanced results. **AM**
