

## IIT-GN

● Blithchron 2016 will be organized on January 30 and 31 by IIT-Gn. Last year, the festival saw a footfall of over 19,000 students from Gujarat which had laser assassins, robo sumo, Frisbee, flying fox, standup comedy, race and kabaddi. An annual technical festival named Amalthea hosts summit on various technical topics and invites speakers for a conclave to bridge a gap between industry and academics. Amalthea hosts an exhibition that showcases prototypes made by students.
