

**2nd edition of IGNITE on March 17:** IGNITE, an Intra college technical festival started in 2015 will be held on March 17 at IIT Gandhinagar campus in Palaj. The fest will provide a platform to display and debate all the technical projects undergoing at IIT-Gn of faculty and students. The ultimate motive of this event is to promote technical culture at institute. Along with exhibition of projects, this edition of IGNITE will have many other exciting features like TECH-TALK and informal technical games among others.
