

# Tech innovators to share knowledge at IIT-Gn

**Ahmedabad:** Some of the country's leading innovators will share their knowledge at Indian Institute of Technology Gandhinagar (IIT-Gn). They will be speaking at IIT-Gn's annual technical summit called "Amalthea" which will be held on October 22 and 23. Sai Pawan, an IIT-Gn student and a member of Team Amalthea said, "This year's conclave will be on Technologizing Challenges." TNN
