

Mentor Conclave at IITGn

A career guidance event called “Mentor Conclave” was held for schoolchildren at the Indian Institute of Technology, Gandhinagar, (IITGn) on Saturday. The event provided an opportunity for students between standards 9 and 12 to interact with young leaders from different walks of life. Kushagra Bhargava, a fourth-year undergraduate student from the department of chemical engineering at IITGn who organized the event, said: “Mentor Conclave is an initiative to connect school students with professionals for exchange of ideas and discussions.”
